REPORT OF PRINCIPAL AND SCHOOL IMPROVEMENT COUNCIL

Myrtle Beach Elementary School is a professional learning community that is committed to meeting the needs of each individual student as well as striving to enhance their learning experience through a rigorous and engaging curriculum. Character development is also emphasized through our Covey Leadership initiative.

Academically, Myrtle Beach Elementary strives daily to move every student to higher levels of learning. Professional Learning Communities meet regularly to use formative and summative data to set goals, monitor students' progress and celebrate successes. Students at MBE are provided with learning opportunities to meet specific needs which include: Compass Odyssey, M3, interactive technology, Morning Computer Labs, Covey Club integration, and Intervention (individualized differentiated instruction). Professional development is offered throughout the year for teachers to continue their knowledge of best teaching practices and to collaborate professionally with their peers.

Myrtle Beach Elementary implements the Leader in Me leadership model. MBE is currently the 36th school in the world to achieve "Lighthouse" status through the Covey Leadership initiative. The Leader in Me integrates principles of leadership into our school curriculum. This leadership initiative reinforces our social and emotional mission of assuring that each student becomes life-long learners and leaders. MBE has a school-wide focus on lifeskills and lifelong guidelines, guidance activities, No Tolerance for Bullying, PBIS, and Covey's 7 Habits. Civic responsibility is also fostered in our learning community through participation in Jump Rope for Heart, March of Dimes, Relay for Life, and canned food drives.

The success of any school requires support of an involved School improvement Council, active PTO, volunteers, and generous business partners. MBE is fortunate to have all of the above to help develop our school and students into responsible members of society by being life-long leaders and learners.
